TESTING

No Appointment Needed

Free COVID-19 testing is available to all LA County residents at drive-up and walk-up testing sites. Appointments are currently not needed, and you are able to register on-site at LA County testing

sites. Appointments can still be made and can help reduce wait times. [Click Here](#) to schedule an appointment.

Additional Testing Resources:

Testing highly recommended for:

- **People who have symptoms:** If you have symptoms of COVID-19, talk to a healthcare provider and get tested.
- **People who have been a close contact to someone with confirmed or suspected COVID-19 (a case) within the last 14 days.** Even if your test is negative, you will still need to complete your quarantine.
- **People with or without symptoms who are part of an outbreak response or contact investigation in high-risk settings**, such as nursing homes, congregate living facilities, correctional facilities, or persons experiencing homelessness.
